Dionne Continues Executive Role with Canadian Association of Police Boards

Will serve 2-year term as Past President

The Prince Albert Board of Police Commissioners is pleased to announce Councillor Greg Dionne will continue to hold an executive position on the Canadian Association of Police Boards (CAPB) as Past President. At the August Annual General Meeting held in St. John, New Brunswick, Councillor Dionne chose not to pursue another term as President. "The role of President requires a large time commitment and I felt it was time to pursue other things" said Councillor Dionne.

Councillor Dionne was elected to the Canadian Association of Police Boards first as Secretary-Treasurer in 2005 then as Vice President in 2007. In August 2008, Councillor Dionne was elected as President of the CAPB and served two years in this role.

The Canadian Association of Police Boards (CAPB) is the only national organization dedicated to excellence in police governance in Canada. Since 1989, CAPB has worked diligently to achieve the highest standards as the national voice of civilian oversight of municipal police. CAPB has grown to represent more than 75 municipal police boards and commissions across Canada that together employ in excess of 33,000 police personnel - approximately three-quarters of the municipal police personnel in Canada.

Councillor Dionne is the first person from Prince Albert to be elected to the CAPB. Councillor Dionne believes that by volunteering on the Board of CAPB, he has been given an opportunity to assist in the formation of our country as a safe place to raise our families.
