The City of Prince Albert advises motorists that the Central Avenue Viaduct will be closed to all vehicular traffic on Friday, January 8th, for approximately 2 hours, to facilitate preparatory snow removal in advance of the 2010 Olympic Torch Relay. Work on the viaduct will commence at 5:00 AM and is expected to be complete by 7:00 AM. During the work an alternate route of 1st Avenue West / 18th Street remains available, this provides motorists with a similar route with a minimal detour.
