Temporary Closure of Marquis Road

Closed from 2 Ave W to Central Ave due to water main break

The Public Works Department is advising motorists that Marquis Road from 2nd Avenue West to Central Avenue will be temporarily closed to traffic due to a watermain break. The closure is expected to begin in mid morning, between 9:00 and 10:00AM, pending the successful completion of utility locates, and is anticipated to remain in effect for the rest of the work day. The repairs are projected to be complete by late afternoon, but the closure may be extended if there are unforeseen circumstances.

Traffic will be routed around the affected area by detouring one block north to 34th Street, and across one block to Central Avenue. Motorists should watch for directional signage, remain attentive at all times, and drive with caution through the detour route. Local traffic only to the Cemetery and Casino will be accommodated from the east at the intersection of Marquis Road and Central Avenue.

The City thanks residents for their patience and understanding during this period.
