Precautionary Drinking Water Advisory Rescinded for area between 1st and 2nd Ave West from 34 street to Marquis Road

Water Remains Safe To Use

The precautionary drinking water advisory that was implemented Thursday, December 31st, 2009, has been lifted. Two different sets of water samples have confirmed that the water is safe to use.

The affected area was between 1st and 2nd Avenue West, from 34th Street to Marquis Road.

The water quality within the City continues to meet all Provincial standards. The City would like to thank residents that were affected by this water advisory for their patience while the City was confirming the safety of the water. The City continues to be dedicated to producing high quality water for its residents.
