Looking for your best photos of the Torch Relay

Top three photos will receive an Olympic Toque

City of Prince Albert is looking for some great photos of the Olympic Torch Relay in Prince Albert for its photo records. The event will live in our memories as a great show of community pride and being part of a historical event and we would like to have a photo record of some of those moments of the day. Bring your photos on a disk with your name and phone number on it to City Hall before January 28th. The photos become the property of the City of Prince Albert and the best three photos will get an Olympic Toque to remember the day by.
