Transit – expect delays plus two temporary route changes

Bus not running on 20th Street East and 3rd Street East

Following the snowstorm, roads are being cleared and traffic is slowed today – including transit. Residents are advised to expect delays on transit schedules today.

Also two important changes for transit riders :

1. East Hill bus is not running down 20 Street, please go to 22 Street to catch this bus.
2. East Flat bus not running on 3rd street East, please go to 4th street to catch this bus.

Your patience is appreciated.
