## **Local Resident Nominated for Top 25 Immigrant Awards**

The City of Prince Albert is pleased to acknowledge that local resident Dr. Lalita Maholtra has been nominated as one of the Top 25 Canadian Immigrants of the year.

Launched by the *Canadian Immigrant* magazine in 2009, the Top 25 Canadian Immigrants awards recognize not only the success of the nominees, but also celebrate the differences they have made to their new country on their road to success.

“I would like to congratulate Dr. Maholtra on being nominated for this award” said Mayor Jim Scarrow. “She is one of three Saskatchewan residents on the list and we are very proud that she calls Prince Albert home.”

Among her many accomplishments, Dr. Maholtra has been awarded the Saskatchewan Order of Merit, the Order of Canada, and was named Citizen of the Year in 2007. The testimonial attached to Dr. Maholtra’s nomination states that ‘she assists women every day by caring for them as patients, by mentoring them as confidants and by serving as a role model of what integrity and hard work can bring. Our lives in this community and province have been touched by Lalita’s journey’.

Of the hundreds of nominations received, 75 individuals were placed on the shortlist by *Canadian Immigrant*. The winners will be determined through online voting. “I encourage everyone to recognize and support the great work of Dr. Maholtra by taking a few minutes and casting your vote” said Mayor Scarrow.
