City to Conduct Snow Lift to reduce runoff

On 2nd Avenue West (16th to 26th Streets) and 6th Avenue East (River Street to 28th Street)

The City of Prince Albert wishes to advise motorists that traffic will be restricted to one lane while City crews remove snow banks adjacent to the roadway. The lane closures will be next to the median and will change as the work progresses. Starting Tuesday, March 9, 2010 at 9:00 a.m., crews will be working on 2nd Avenue West between 16th and 26th Streets with the snow lift to be concluded later the same day.

Starting on Wednesday, March 10th at 9:00 a.m., City crews will move to 6th Avenue East between River and 28th Streets for a period of two days. The snow lift in this area is expected to be concluded late afternoon, Thursday.

Motorists are reminded to use caution when approaching the work zone. The City thanks motorists for their patience and understanding during this period.
