Road Closed due to Watermain Break 28th Street and 3rd Avenue East

Repair scheduled for Thursday, March 11th at 9:00 am

The City of Prince Albert wishes to advise residents that 28th Street East between 2nd and 3rd Avenue and 3rd Avenue East between 27th and 28th Streets will be closed due to a water main break. The closure will begin at 9:00 am Thursday, March 11th and will be in effect for the rest of the work day.

As a result of the water main break, residents in this area may experience decreased water pressure. Once the repair begins, residents will experience a water outage until the repair work is complete. Residents should put away a supply of drinking water and fill bathtubs to ensure a supply of water for their sanitary facilities.

Motorists are reminded to use caution and observe detour routes. The City thanks motorists for their patience and understanding during this period.
