## **Precautionary Drinking Water Advisory Rescinded for 600 Block of 28<sup>th</sup> Street West**

*Water Remains Safe to Use*

The precautionary drinking water advisory that was implemented on Friday, March 5, 2010, has been lifted. Two different sets of water samples have confirmed that the water is safe to use.

**The affected area was the 600 Block of 28<sup>th</sup> Street West.**

The water quality within the City continues to meet Provincial standards. The City would like to thank residents that were affected by this water advisory for their patience while the City was confirming the safety of the water. The City continues to be dedicated to producing high quality water for its residents.
