Yard Waste Collection Program Resumes May 10th

Yard Waste is always accepted free of charge at Landfill

The City of Prince Albert would like to remind residents that the Yard Waste Collection Program will resume the week of May 10th in Areas 1 and 4 and the week of May 17th in Areas 2 and 3. Residents are asked not to place yard waste on the street until the yard waste collection program resumes.

Once the program resumes, yard waste in clear plastic bags, or branches tied in bundles less than one metre in length can be placed for collection on the same day as recyclable collection. Place the bags or bundles 3 feet from the recycle container.

Residents are reminded that yard waste is always accepted free of charge at the Landfill.
