City Partners on Provincial Toilet Replacement Program

Program commences on May 3rd

The City of Prince Albert is pleased to announce that it has partnered with the Saskatchewan Watershed Authority under the Go Green Saskatchewan Fund to supply additional rebates for the Provincial Toilet Replacement Program.

The Provincial program provides a \$50 rebate to qualified Saskatchewan home owners to replace a high volume toilet (13 litres per flush or higher) with a dual-flush or 6 litres or less per flush toilet.

Any Prince Albert residence that qualifies under the Provincial program will be available to apply for an additional \$25 per toilet from the City of Prince Albert.
