## **Lead Service Connection Replacement Program**

*Rebate of up to \$2,000 available*

The City of Prince Albert is pleased to announce the Homeowner Lead Service Connection Replacement Program for 2010. The Program will run until December 31, 2010.

Any property owner in Prince Albert with an existing lead water service connection are eligible for a rebate up to \$2,000.00 for the replacement of the private portion of any lead water service connection. This is the portion of the water service that falls between the property line and the house water meter.

Homeowners that have had the City portion of a lead water service replaced by the City of Prince Albert will be given program preference.

For further details of the program contact the Public Works Department at 953-4900 or on the web at [www.citypa.com](http://www.citypa.com).
