Southbound on bridge reduced to one lane for 1 hour **Thursday June 24, 2010**

One lane to be closed for electrical repair from 10:30am to 11:30am

In order to repair electrical conduit that was damaged on the bridge the southbound lane of the bridge will be reduced to one lane from 10:30 – 11:30am on June 24, 2010. Haulers of wide loads should contact the Public Works Department at 953-4900 before travelling across the bridge at this time.
