## **Passenger Facility Fee now at Prince Albert Airport**

*All departing passengers will be charged \$8.00*

On July 16, 2010, the City of Prince Albert instituted a Passenger Facility Fee. This \$8.00 fee is charged to all departing passengers and will be collected by the various airlines. The new fee is to help offset some of the future capital needs of the airport, including a future replacement of the air terminal.

In 2009, an Airport Master Plan was completed and it was determined the Airport was not “self-funding” and additional funding sources were needed. City Manager, Robert Cotterill said, “This new fee will assist us in realizing our goal of making the Prince Albert Airport a state of the art facility while meeting passenger demands, accommodate growth and improve levels of service.”
