Closure of 28th Street East between McDonald Avenue and 10th Avenue East extended for another day

Road to remain closed for an additional day for street repairs

The City of Prince Albert wishes to advise residents that the closure of 28th Street East between McDonald Avenue and 10th Avenue East will be extended for an additional day so that surface work repairs can be completed following the installation of a storm sewer connection. The work is expected to be completed by the end of the day, Wednesday, July 28th, weather permitting.

The East Hill bus stop east of McDonald Avenue will be relocated to the west side of McDonald Avenue.

Motorists are reminded to use caution and observe detour routes. The City thanks motorists for their patience and understanding during this period.
