Prince Albert Transit – Route Map and Schedule

Expanded Service and Schedule Effective August 30, 2010

The City of Prince Albert would like to notify residents that effective August 30, 2010, a new transit route map, schedule and fare structure will go into effect.

Changes to the routes include the removal of the Rush Hour Express Route and the addition of the 15th Street Shuttle Route. The 15th Street Shuttle Route will improve service to 15th Street, SIAST and will run in conjunction with the West Flat so that West Flat residents will not need to transfer to access stores on 15th Street.

The Transit schedule has been expanded to start 10 minutes earlier at 6:45 a.m. and will run 20 minutes later until 7:15 p.m. These improvements will allow residents travelling Downtown or to SIAST more flexibility.

Fares will also be changing on August 30, 2010. Cash fares will go up \$0.25 each except for children's fares which will remain the same. Passes and tickets will go up accordingly.

A copy of the new route map and schedule is available on the third floor at City Hall or on the website at www.citypa.ca
