Minor Changes to the 15th Street Shuttle Route

Minor changes to occur September 27, 2010

Due to increased ridership and demand on the East Hill and East Flat routes the 15th Street Shuttle has been changed to accommodate this increased demand.

The 15th Street shuttle will now travel to 28th Street to pick up passengers at the 28th Street and 15th Avenue East and at 28th Street and Sherman Drive. This will help to alleviate the increased ridership in this area.

The 15th Street shuttle will also now run from 2:45pm to 6:45pm instead of 3:15pm to 7:15pm. This will allow the 15th Street shuttle to pick up the rush of SIAST students after 2:45pm and alleviate the demand on the East Flat bus.

Notices have been posted at all affected bus stops and the new route map can be viewed at www.citypa.ca on September 27, 2010. For those that currently ride Transit we hope that this will improve your Transit experience. For those who are not currently riding the bus check out the map at www.citypa.ca and to see how you can ride Transit today and everyday.
