FOR IMMEDIATE RELEASE

Incorrect Advertisement for Report Concerning Zoning Bylaw Amendment/Subdivision Application and Development Permit Bylaw

Condo Development to be reconsidered at Nov 8 City Council meeting following proper public notification

The City of Prince Albert would like to advise the public of an error in the public notice advertising to consider Bylaw No. 23 of 2010 which would allow for the proposed development of a Condominium at 701 28th Street West. The report also considers rezoning and subdivision of the area.

The original newspaper notification, advertised October 2nd and October 9th, 2010, indicated an incorrect time for the Special City Council meeting that was held on October 18th, 2010. The original newspaper notification stated that the Special Council meeting was to be held at 5:00pm and in fact it was held at 4:00pm.

In order to ensure that the public has proper notification and an opportunity to speak on this matter before Council, this application is being re-advertised and the report and bylaw will be reconsidered by City Council at the November 8th, 2010 City Council meeting at 5:00 p.m. in City Hall Council Chamber.
