City Seeking Feedback on Margo Fournier Centre

Canada World Youth students could be visiting your residence or business to get your input on the direction of the Margo Fournier Centre

The City of Prince Albert is pleased to have Canada World Youth Students help in the completion of a survey that will be conducted to provide guidance and direction for the Margo Fournier Centre into the future.

“Over the next two months, students Selin Paiz and Ian Levitan will be visiting residences and businesses in the Midtown/Downtown area to conduct a short survey with you,” said Curtis Olson, Recreation Coordinator for the City Of Prince Albert. “If you are unavailable to speak with them when they visit, the survey will be left in your mail box asking you take the time to fill it out and mail back to the City at your convenience.”

All residents of Prince Albert are welcome to complete the survey as well. Copies of the survey can be accessed from the City of Prince Albert website www.citypa.ca or at the Margo Fournier Centre.

“We appreciate everyone’s time in completing the survey and helping in the direction of programming for the Margo Fournier Centre,” said Olson.

The survey deadline is Friday, November 26, 2010. All respondents are asked to have their completed surveys submitted by this date.
