at city hall*

The Application Deadline for the Province’s Disaster Assistance Program as a result of the severe wind and thunder storms in July is approaching. The City would like to remind residents to pick up a copy of the application at City Hall and have it completed and submitted by December 30, 2010.

The Provincial Disaster Assistance Program (PDAP) provides financial assistance to eligible claimants located in a municipality that has been designated eligible for assistance as a result of a substantial loss or damage to uninsurable, essential property caused by specific natural disasters.

Application Forms and Program Information is available at the front desk at City Hall (8:00 a.m. – 4:30 p.m., Monday – Friday). Please note that there are two forms: one for Rain Damage and one for damage caused by the Plow Wind. Ensure that when you pick up your form, you ask for the correct one.

Completed applications can either be mailed directly to the PDAP Office or returned to City Hall by December 30<sup>th</sup> to ensure they are received at the PDAP office by January 2, 2011. Any work must be completed by July 2, 2011.

The PDAP office will assign a claim reference number and mail out an individual information package to claimant with a confirmation of the claim registration.

Applicants will deal directly with the PDAP Adjuster’s office at this point.
