Correction - Traffic Restrictions on 15th Street East (Between Rona and Wal-Mart)

Please note that the above closure will be in the most northerly, westbound lane and not the eastbound lane as indicated in the original bulletin. The work will be conducted along the curb in the parking lane.

The City of Prince Albert would like to advise motorists of the closure of the most northerly **westbound** lane on 15th Street East (between Rona and Wal-mart) at 9:00am on Friday, December 10, 2010. The lane closure is to accommodate groundwater monitoring in the area. The lanes should be open by the end of the day.

The City thanks motorists for their patience and understanding during this period.
