Residential Snow Clearing Operations underway

The City Of Prince Albert is presently conducting Residential Snow Clearing Operations. Neighbourhoods will be signed the day before snow clearing begins in an area. Residents are reminded to watch for no parking signs in their neighbourhood and move vehicles off the street to enable crews to clear the snow more effectively. No Parking signs are not placed on every street, instead, only the perimeter of the neighbourhood and the main routes will be signed.

Residents are reminded that snow clearing operations will be coordinated with garbage and recycle collection schedules.

If another snow fall is experienced before crews are complete, they will return to clearing high traffic, Priority 1, 2, and 3 areas. Any No Parking signs placed in the residential area will either be removed or laid flat until crews can return to resume residential ploughing where they left off.

For more information regarding this media release, please contact the Public Works Department at 953-4900.
