### **City Releases 2011 Budget Report**

The City of Prince Albert has released its 2011 budget report. This report provides the details of a proposed budget for 2011 and includes three different budget scenarios for City Council's consideration. The complete budget is available online at [www.citypa.ca](http://www.citypa.ca).

The release of the budget is the first step in the review process. Council has received copies and will have the opportunity to review the documents prior to budget deliberations in mid-January. During deliberations, Council can accept the issues brought forward, decline or substitute other priorities to determine the final tax impact of the budget.

The public is invited to address City Council regarding the budget on Monday, January 10, 2011 in the Council Chamber at City Hall at 5:30 p.m. or later (immediately following the Council meeting).

Residents are also invited to attend the budget meetings, where City Council will discuss the budget items and make final decisions, on Friday, January 14, 2011 at 9:00 a.m. in the Council Chamber at City Hall. If required, there will also be second meeting on Saturday, January 15, 2011 at 9:00am.
