“Ding in the New Year” – Free Transit on New Years Eve

Let Prince Albert Transit be your designated driver this New Years Eve

The Ding in the New Year program will once again be providing free bus service on New Years Eve. This year, the service will be provided from 7:15 p.m. December 31, 2010 to 3:15 a.m. January 1, 2011.

This year there are 4 routes to service the West Hill, East Hill, West Flat and East Flat areas of the City and all routes will meet at the new downtown Central Transit Transfer Station.

The bus routes are very similar to daytime routes with a few minor changes to the East Flat and West Hill routes. Route maps can be found at www.citypa.ca or at local bars and New Years Eve party spots around town.

The “Ding in the New Year “ Program started in Prince Albert in 1989 and has provided over 10,000 safe and free rides home. So let Prince Albert Transit be your designated driver this New Years Eve and take the bus!
