Frank J. Dunn Pool Closed Until Further Notice

FJD Pool Closed under order of Senior Health Official due to Positive Tests of Giardia and Cryptosporidium Oocysts in City Water Source.

Frank J. Dunn pool is closed until further notice for all City and School Swim Programs. This affects Swimming Lessons, Lane Swimming, Aquacise, Public and Family Swimming. This is due to the positive findings announced yesterday of Giardia and Cryptosporidium Oocysts in the Cities Water Source. The pool operates with the use of City Water and until it is deemed safe and direction is given to reopen, the Pool will remain closed. All Program Participants and Users will be notified and updated as we find out more information to when the pool will open and Programming will start again. Sorry for any inconveniences this may cause.
