Re: Clean Sidewalk Bylaw

This is a reminder of the Clean Sidewalk Bylaw No. 36 of 1994 which stipulates that property owners shall be responsible to remove and clear away all snow, ice, dirt or any other obstructions from the sidewalk adjoining to their property within a 48 hours period of accumulation.

If, after the 48 hour period has passed, no attempt has been made to clear the accumulation, the City of Prince Albert may remove the accumulation. All costs incurred by the City of Prince Albert for this work will then be charged back to the property owner.

The City of Prince Albert appreciates the efforts of the property owners to keep all sidewalks clean and in a safe condition.

If you have any questions or concerns regarding the Clean Sidewalk Bylaw, please feel free to contact the City of Prince Albert, Community Services Department at 953-4800.
