CITY OF PRINCE ALBERT BYLAW No. 23 of 2006

*A Bylaw of The City of Prince Albert to establish
the 2006 charge for placing and maintaining a
dustless surface or partially dustless surface in
streets and lanes*

WHEREAS Section 275 of The Cities Act, provides that Council may, by Bylaw passed in the year of the work, charge to all assessed owners of land fronting or abutting directly on the work, the cost as estimated by the Engineer or any portion of that cost, as Council may decide, for placing and maintaining:

- a) a dustless surface or partially dustless surface by means of calcium chloride, petroleum oils or any other substance used as dust palliative;
- b) gravel; or
- c) gravel and a dustless or partially dustless surface.

AND WHEREAS it is deemed advisable to establish in 2006, a charge for such work in accordance with the provisions of The Cities Act.

NOW THEREFORE the Council of The City of Prince Albert, in open meeting assembled enacts as follows:

1. In this Bylaw "work" shall mean and include the placing and maintaining of a dustless surface or partially dustless surface by means of calcium chloride, petroleum oils or any other substance used as a dust palliative.

2. That the 2006 charge as estimated by the City Engineer for placing and maintaining a dustless surface or partially dustless surface for rear lane oiling only (maximum width 20') shall be as follows:
 - (a) for oil treatment or stabilization to provide a dust free surface in rear lanes - \$1.50 per foot frontage of lane.
 - (b) for a single application in rear lanes only - \$0.50 per foot frontage.
3. That the 2006 charge as estimated by the City Engineer for placing and maintaining a dustless surface or partially dustless surface for streets shall be as follows:
 - (a) for oil treatment or stabilization to provide a dust free surface - \$3.60 per foot frontage of street.
 - (b) for single application - \$1.20 per foot frontage of street.
4. The charge pursuant to the provisions of this Bylaw shall be levied against all assessed owners of land abutting on the work on a per foot frontage basis without reference to the width of the street or lane.
5. The charge pursuant to this Bylaw shall be added to the Tax Roll as a Special Assessment against the land as listed on Attachment "A" and shall be recoverable in the same manner as other taxes that are in lien on the land.
6. In the case of corner lots, the owner shall be assessed for the whole frontage and for that portion of the flankage exceeding 122 feet, where such flankage abuts directly upon the work.

7. The City Engineer shall continue to annually submit to Council his report setting out the streets, avenues and lanes on which, in his opinion, there should be placed and maintained a dustless surface or partially dustless surface by means of calcium chloride, petroleum oils or any other substance used as dust palliative and Council shall, in its discretion, authorize the work at the charges estimated annually by the City Engineer.

8. Any persons may request the City to review the application or calculation of a special tax on property if they consider an error or omission was made in that application or calculation.

9. This Bylaw shall come into force and take effect on, from and after the final passing thereof.
