ISSUED PURSUANT TO SECTION 49 OF BYLAW NO. 16, 2005

I the undersigned applicant, hereby acknowledge that the granting of a permit does not preclude application of any other applicable regulations or policies, nor does it preclude the need to obtain permission from **Carlton Trail Railway, SaskTel, Sask Power**, or any other authority having jurisdiction with respect to an overhead structure or other impediment, and I hereby declare that the vehicle(s) to be utilized to move the above noted building(s) or structure(s) are duly licensed in the Province of Saskatchewan for the current year and bear the following LICENSE PLATE NO: \_\_\_\_\_

Further I hereby undertake and agree to be responsible for and pay to the City of Prince Albert all or any damages which I may cause or any of my servants, employees or agents may cause to or any property of the City of Prince Albert or any other property while moving said load under the terms of the permit or license granted to me for the purposed, the amount whereof is to be determined by the City Engineer in the case of City property, promptly upon demand and to indemnify and save harmless the City of Prince Albert against all claims which might be made against it for damages to property or persons by reason of anything which I or any of my servants, employees, or agents may do under the terms of the permit or license which may be granted to me by reason or this application, and to defend at my expense all actions which might be taken against it in connection with any of the said claims

Further I hereby undertake and agree to be responsible for and pay to the City of Prince Albert all or any costs that are involved with accommodating movement through the City of Prince Albert, including but not exclusive to: temporary parking restrictions, moving on street infrastructure such as traffic lights or signs, providing escort etc...
