“For Immediate Release”

Road Closure – 31st Street (Elmwood Avenue and 3rd Avenue East)

The City Of Prince Albert would like to advise motorists that 31st Street between Elmwood Avenue and 3rd Avenue East will be restricted to local traffic only and no heavy traffic in excess of 4500kg will be permitted (concrete trucks, large vehicles etc...) due to the road surface displaying preliminary signs of failure.

The road will be returned to an unrestricted state once spring thaw season has elapsed. At that time the road is expected to stabilize to handle normal traffic again. The transition date will be temperature related and will depend on spring weather conditions and cannot be predicted at this time. It is only during this period of freeze/thaw that the road bed is especially vulnerable to failure.

Signage will be placed in the area later this afternoon to restrict traffic.

For more information regarding this road closure, please contact Public Works at 953-4900.
