Restricted Access at 6th Avenue East between 15th and 14th Street

Drivers need to find alternate route for evening commute

The City of Prince Albert would like to advise residents of a road closure occurring at 6th Avenue East between 15th and 14th street beginning at 4:00am on Thursday, October 7, 2010. Some northbound access will be available along 6th Avenue for morning commuters, but the entire street will be closed off beginning at 9:00am and continuing throughout the day. The street closure is to accommodate paving work. Access for traffic will be restored by Friday, October 8, 2010.

Since this road closure is just off a major intersection, the City is urging drivers to take note that there will be no access for both north and southbound traffic at this location for most of the day, including the evening commute.
