CITY OF PRINCE ALBERT GENERAL FUND LETTER OF TRANSMITTAL

December 22, 2015

This document represents The City of Prince Albert's General Fund Budget for 2016.

The General Fund accounts for the widest variety of City activities. The costs of policing, fire and emergency services, streets and roads, transit operations, parks, recreation, building maintenance as well as the majority of administrative costs of the City are shown in this fund. Although most areas of service within the General Fund will have some revenue that is used to help offset the cost of the service provided, the bulk of the costs within the General Fund are funded by the property tax levy.

The other Funds that make up the balance of The City of Prince Albert's activities are: Airport Fund, Sanitation Fund, Land Fund and the Water and Sewer Utility Fund.

The City of Prince Albert has moved towards presenting its budget document pursuant to industry best practices. The 2016 Budget Document presents all General Fund revenues and all General Fund expenses in a single table, but then further segments those values by operating areas sorted by Departments. Overall the reformatting makes the ongoing comparison of Budgets and Financial Statements more understandable and meaningful.

Two notable comments to make with respect to the information within the City's Budget are:

- The Emergency Communications Centre (ECC) is the 911 call centre that is facilitated by the City with an agreement with the Province of Saskatchewan. The full cost of operating the ECC is shown within The City of Prince Albert's budget, however it is fully funded through user fees and grant revenue.
- The Police Service Budget is determined by the Board of Police Commissioners. The Board's role is then to submit a request to the City for the necessary funding for the cost of policing. This document reflects the changes approved at the December Board meeting.

The City of Prince Albert's 2016 General Fund Budget recognizes projected revenues necessary to fund operating expenses, capital projects, and transfers to reserves.

Jan 1

Joe Day, LAAS, MAAS
Director of Financial Services
