4. Except as modified by this Bylaw, all elections in the City of Prince Albert shall be conducted in accordance with the provisions of *The Local Government Election Act, 2015*.
5. Pursuant to section 68(1.1) of the Act, the deposit of \$250, which is required when filing the nomination paper for municipal candidates, will be returned by cheque to all candidates who are successful in retaining an elected position.
6. The City Clerk shall retain any poll books, ballots and any electronic election results data for a period of three (3) months after the day on which the election or vote on a bylaw, resolution or question has occurred, and as soon as possible thereafter, unless otherwise ordered by a judge, shall cause them to be destroyed in accordance with section 142 of the Act.

(8/2024 s.1 & 2; 16/2024 s.1)

VOTE COUNTING SYSTEM

7. (a) The Council of The City of Prince Albert hereby authorizes the use of an vote counting system at general elections, by-elections and votes on bylaws, resolutions or questions.
- (b) Where this Bylaw does not provide for any matter, an election to which this Bylaw applies shall be conducted as far as practicable in accordance with the *Act*.

Form of Ballot

8. Subject to such modifications and deviations as are permitted by the *Act*, the ballot shall be a paper ballot that is substantially the same as the sample ballots as follows:
 - (a) election of a member shall be in the form set forth in Schedule "A";
 - (b) vote on a bylaw or resolution shall be in the form set forth in Schedule "B"; and
 - (c) vote on a question shall be in the form set forth in Schedule "C".

Programming

9. (a) The USB media that is inserted into the voting machine shall be programmed so that a printed record of the following can be reproduced:
 - (i) the number of blank ballots;
 - (ii) the number of over voted ballots;
 - (iii) the number of votes for each candidate; and,
 - (iv) if there is a vote on a bylaw, resolution or question, the number of votes for and against each bylaw, resolution or question.
- (b) The USB media shall not be programmed until twenty-four (24) hours after the close of the nomination period.
- (c) Pursuant to subsection (7)(1) of *The Local Government Election Regulations, 2015*, each voting machine must be programmed to accept ballots without an override function or audible sound.

Pre-Poll Logic and Accuracy Testing

10. Prior to the advance poll date, but no earlier than twenty-four (24) hours after the close of the nomination period, an election official shall conduct the pre-poll logic and accuracy testing required by the *Act* and *The Local Government Election Regulations, 2015*.
11. The following sets out the general testing process and procedures:
 - (a) A test deck of every ballot style is created and then marked by the election official to ensure all combinations of votes have been included and then each test deck is inserted through each voting machine.
 - (b) The test deck includes blank and over voted ballots which are also inserted into each voting machine.
 - (c) A register tape for each voting machine is printed that identifies the results from the testing.
 - (d) For each register tape, the election official conducting the testing writes the serial number of the voting machine, the date the testing was conducted and the official's initials.
 - (e) The election official conducting the testing compares the register tape for each machine to ensure that the USB media in each voting machine is accurately recording the blank ballots, over voted ballots and votes for candidates or for or against a bylaw, resolution or question as set out in the test deck of ballots.
 - (f) Where there is a programming issue with the USB media, the USB media is re-programmed and re-tested until it accurately records the test deck of ballots.
 - (g) The register tape from the testing for each voting machine and USB media and the document that sets out the test deck of ballots that were used is retained in accordance with The City's Record Retention Bylaw.
 - (h) After the testing is complete and the voting machine and USB media accurately record the ballots, the voting machines and the USB media inserted into each machine are sealed.
 - (i) In the case of where a voting machine and its USB media are not accurately recording the ballots, the machine is not used in the election.

Security

12. (a) All voting machines shall be tracked by serial number in the delivery before, during and after the election, and voting machines and USB media shall be locked in a secure location at all times when unattended by an appointed election official.
- (b) All voting machines and USB media shall be securely sealed once they have been programmed for an election and the pre-poll logistic and accuracy testing have been completed.
- (c) All voting machines and USB media shall be secured with unique passwords that can only be accessed by assigned election officials.

Procedure of the Poll

13. (a) All polling places where a voting machine is being used shall be supplied at least one (1) ballot box, and one (1) emergency ballot box.
- (b) The receiving deputy returning officer shall, in the presence of another election official and any candidates or candidates' agents present, cause the voting machine to print a register tape prior to the opening of the poll and display to all those present a zero total for all candidates, bylaws, resolutions or questions.
- (c) The zero total printout shall remain attached to the voting machine printer until a register tape is printed by the voting machine after the close of the poll. The zero total printout and the register tape shall be retained for the purposed of documenting the election results at the polling place.
- (d) In the event that the totals are not zero for all candidates, bylaws, resolutions or questions, the receiving deputy returning officer shall immediately notify the supervisory deputy returning officer, and utilize the emergency ballot box until the machine is replaced or repaired.
- (e) When it has been confirmed that an elector is at the correct polling place and he or she has been registered as a voter, the issuing deputy returning officer shall provide the elector with a ballot bearing the initials of an issuing deputy returning officer on the reverse side along with a secrecy sleeve.
- (f) After marking the ballot, the elector shall place the ballot in the secrecy sleeve and deliver it to the receiving deputy returning officer, who shall in the presence of the elector, and without removing the ballot from the secrecy sleeve, confirm that the ballot bears the initials of an issuing deputy returning officer at the polling place. The receiving deputy

returning officer shall allow the elector to insert the ballot into the voting machine or ensure that the elector views the receiving deputy returning officer inserting the ballot directly into the voting machine.

- (g) If, before delivery of the ballot to the receiving deputy returning officer, the elector determines that an error may have been made in marking the ballot, or the ballot is damaged for any reason, the elector may request a replacement ballot from the issuing deputy returning officer.
- (h) Upon a request under subsection (g), the issuing deputy returning officer shall issue a replacement ballot, mark the returned ballot "spoiled" and retain the spoiled ballot separately from all other ballots. Spoiled ballots shall not be counted in the election.
- (i) During any period that the voting machine is not functioning, the receiving deputy returning officer supervising the unit shall insert or allow the elector to insert all ballots into the emergency ballot box from the secrecy sleeve, and the ballots in that box shall, after the poll closes, be removed by the receiving deputy returning officer and inserted into the vote tabulating unit to be counted.
- (j) Any ballot which does not bear one of the initials of an issuing deputy returning officer at the polling place or which is damaged to the extent that it cannot be inserted into the voting machine and for which no replacement ballot was provided shall be marked "spoiled" and not counted in the election.
- (k) If a voting machine is not used at an established poll, the ballots shall be kept in the ballot box provided, and shall be counted in accordance with section 17 of this Bylaw.
- (l) The supervisory deputy returning officer assigned to a polling place shall perform a balancing check and monitor the voting machines at the polling location throughout the day during the advance poll and election day to ensure that the unused ballots and ballots that have been inserted into the voting machines along with the spoiled ballots equal the original number of ballots that were provided to the polling place.
- (m) The receiving deputy returning officer at each polling place shall monitor the voting machine to ensure that it is secure and has not been tampered.

Accommodation of Voters with Disabilities

14. (a) Voters with disabilities are accommodated through the use of special polls, mobile polls, the mail-in ballot system, and through the procedures set out in section 123 of the Act.
- (b) The Returning Officer may provide for the use of voter-assist terminals at a polling location, if deemed appropriate.

Advance Poll

15. (a) Voting machines shall be used at the advance poll and the voting procedures at the poll shall be the same as those set forth in section 11 of this Bylaw.
- (b) At the close of each day at the advance poll, the supervising deputy returning officer shall:
 - (i) ensure that the voting machine, the main and emergency ballot boxes, all unused ballots and other election material are secured when not in use;
 - (ii) ensure that no additional ballots are inserted into the voting machine; and,
 - (iii) ensure that the register tapes in the voting machine are not generated.
- (c) The supervising deputy returning officer at the advance poll shall at the end of voting on the final day of the advance poll:
 - (i) ensure that any remaining ballots in the emergency ballot box, if utilized, are inserted into the voting machine;
 - (ii) secure the voting machine so that no additional ballots are inserted;
 - (iii) ensure that the register tapes in the voting machine are not generated; and,
 - (iii) ensure that the voting machine, the main and emergency ballot boxes, all unused ballots and other election material are secured and delivered to election headquarters.
- (d) The register tape for the advance poll shall not be printed and the results for the poll shall not be reported until after 8:00 p.m. on election day.

Procedure for Closing the Poll on Election Day

16. After the close of polls on election day, if a voting machine has been used, the deputy returning officer shall:
 - (a) ensure that any remaining ballots in the emergency ballot box are inserted into the voting machine;
 - (b) secure the voting machine so that no more ballots can be inserted;
 - (c) generate two (2) copies, or such other number as is directed by the returning officer, of the register tape from the voting machine;
 - (d) sign the certificate portion of the register tape;
 - (e) remove the register tape from the voting machine to be placed in the designated packet;
 - (f) on request from any candidate or candidates' agent present, provide a printout of the election results from the voting machine;
 - (g) complete a ballot statement accounting for the supplied, unused, spoiled, and voted ballots;
 - (h) deliver election data to election headquarters for input into the host computer;
 - (i) prepare separate packets for unused ballots, spoiled ballots, register tape and statement of ballot account, and counted ballots;
 - (j) mark each packet with description of contents, polling place number, date of vote and receiving deputy returning officer name and seal each packet;
 - (k) place the packets, along with the poll book, into empty ballot boxes and seal; and,
 - (l) ensure delivery of the sealed ballot boxes, voting machines, USB media and all other election materials to election headquarters.

17. After the poll is closed on election day, if a voting machine has not been used at a polling place, a designated deputy returning officer, in the presence of another election official, shall:
 - (a) complete a statement of ballot account in accordance with subsection 16(g) of this Bylaw;

- (b) prepare separate packets for unused ballots, spoiled ballots, statement of ballot account and voted ballots;
- (c) mark each packet in accordance with subsection 16(j) of this Bylaw and seal each packet;
- (d) the packets along with the registration poll book shall be placed into empty ballot boxes and sealed;
- (e) allow all candidates and candidates' agents to attend at the place designated by the returning officer to observe the ballots being inserted into a voting machine to be counted;
- (f) deliver the sealed ballot boxes and other election material to the location specified by the returning officer where the vote ballots shall be counted using a voting machine; and,
- (g) at the location where the voted ballots will be counted using a voting machine:
 - (i) break the seal on the boxes containing the packets with the voted ballots and the statement of ballot account. The packet containing the voted ballots shall be opened to access the ballots to be counted;
 - (ii) prior to inserting the ballots into the voting machine, print a register tape to confirm that the totals in the USB media for each candidate, bylaw or question is zero. If any of the totals are not zero the ballots should not be inserted into the voting machine until the until is repaired or replaced;
 - (iii) in the presence of the deputy returning officer, insert the ballots into the voting machine to be counted;
 - (iv) after all of the ballots for the poll have been counted a register tape of the votes for each candidate and, if applicable, the votes for and against a bylaw, resolution or question will be produced from the voting machine;
 - (v) sign the certificate portion of the register tape;
 - (vi) remove the register tape from the voting machine and place it in a new packet with the statement of ballot account for the poll;
 - (vii) on request from any candidate or candidates' agent present, prove a printout of the election results from the voting machine;

- (viii) deliver the election data in accordance with subsection 16(h) of this Bylaw;
 - (ix) seal the counted ballots into a new packet and place the packets with the counted ballots, the register tape and the statement of ballot account for the poll into a ballot box and seal the box; and,
 - (x) ensure delivery of the sealed ballot boxes, voting machines, USB media and any other election material to election headquarters.
18. At the close of poll, the register tape must be printed and both the register tape and zero tape for each voting machine must be attached to the Deputy Returning Officer's Statement of Results.

Recounting of Votes

19. Following the close of polls, in the case of a malfunction of the vote counting equipment, the DRO will replace the malfunctioning unit with another unit, and move the USB to the working machine.
20. In the case of the print paper jamming, the DRO will navigate through the print menu on the screen to re-print another results tape.
21. If the Returning Officer is in the opinion that it is impractical to count the votes with the vote counting machines or replacement vote counting machines, the Returning Officer may direct that all votes cast in the election shall be counted manually as outlined in the provisions of the Act.

MOBILE & SPECIAL POLL

22. (a) A mobile poll for the purpose of allowing voters who are unable to attend at an established polling place to vote because of a disability or limited mobility, and the resident caregiver of that voter, be hereby established.
- (b) The procedures for conducting a mobile poll will be in accordance with sections 30 and 31 of the Act.
- (c) Voting machines shall not be used at a mobile or special poll but the ballots received at these polls shall be placed in a portable ballot box and then later inserted into a voting machine in accordance with section 17 of this Bylaw.
- (d) Procedures at the mobile or special poll shall be conducted in accordance with sections 13(e),(g) to (k) of this Bylaw.

- (e) The deputy returning officer shall ensure that the portable ballot box and all ballots and other election material are secured when not in use.
- (f) The deputy returning officer shall ensure the portable ballot box, all ballots and all other election material are secured and delivered to election headquarters.

MAIL-IN BALLOTS

Application Process

- 23. A person, who is an eligible voter, may apply to vote using a mail-in ballot.
- 24. An application to vote using a mail-in ballot, in the form established by the returning officer, may be made:
 - (a) in person; or,
 - (b) by mail, facsimile, or electronically.
- 25. Before being issued a mail-in ballot, a person shall:
 - (a) complete a voter's registration form and a declaration of person requesting a mail-in ballot; and,
 - (b) establish the person's identity in accordance with Section 110 of the Act to the satisfaction of the returning officer or designated election official.
- 26. In addition to the requirements of Section 25 and for the purposes of subsection 25(b), a person applying for a mail-in ballot by mail, facsimile or electronically shall submit, for each of the person applying for a mail-in ballot and any witness identified in Section 2 and 3 of Schedule D, a photocopy or a scanned copy of the front and back of:
 - (a) one (1) piece of identification issued by the Government of Canada, Government of Saskatchewan, a municipality or a government agency that contains a photograph of the applicant or witness, as the case may be, and their name, address and signature; or,
 - (b) two (2) pieces of information prescribed in Appendix D, Table 1 of The Local Government Election Regulations, 2015, each of which establishes the name and:
 - (i) at least one (1) of which establishes the address of the applicant or witness, as the case may be; and,

- (ii) at least one (1) of which bears the signature of the applicant or witness, as the case may be; and,
 - (c) for the purpose of subsection (b) above, a person shall submit, for any occupational-based professional witness identified in Section 4 of Schedule D:
 - (i) a photocopy or a scanned copy of the witness' business card;
 - (ii) the witness' license or registration number; or,
 - (iii) any other form of license or registration confirmation.
27. The persons identified in Schedule D – Persons Authorized to Witness a Mail-In Ballot are authorized to witness the signature of a person applying for a mail-in ballot and to complete a voter's registration form and a declaration of person requesting a mail-in ballot.
28. Notwithstanding Section 27, a candidate for an election or a candidate's agent shall not act as a witness after signing nomination papers.
29. A person applying for a mail-in ballot by mail, facsimile or electronically shall be required to attend in person if their application, including all supporting documentation is incomplete, unclear, illegible or otherwise unsatisfactory as determined by the returning officer or other designated election official.
30. An application to vote using a mail-in ballot must be received by the returning officer or designated election official:
 - (a) in the event of a person applying in person, no later than close of polls on election day; or,
 - (b) in the event of a person applying by mail, facsimile or electronically no later than fourteen (14) calendar days prior to election day.
31. Upon receiving an application for a mail-in ballot, the returning officer or designated election official shall note the date of approval in the appropriate area of the voter's registration form.
32. The returning officer or designated election official is permitted to attend a person's residence to accept a mail-in ballot application and verify identify if the person is unable to apply in person due to an illness, compromised immune system or has increased health risk factors.

Providing Mail-in Ballot

33. The returning officer or designated election official shall provide a ballot packet to a person whose mail-in ballot application has been approved in accordance with this Bylaw.
34. As soon as reasonably practicable after nomination day, the returning officer or designated election official shall mail or otherwise deliver to each person approved to receive a mail-in ballot, a packet containing:
 - (a) a ballot for the upcoming election, which includes the designated election officials' initials on the reverse side of the ballot;
 - (b) a ballot security envelope;
 - (c) a voter confirmation envelope, which includes the name of the voter and the type of ballot in which the voter is entitled to vote;
 - (d) a self-addressed mailing envelope for the return of the ballot to the returning officer; and,
 - (e) instructions for voting by mail-in ballot.
35. Self-addressed mailing envelopes for the return of the ballot to the returning officer shall be postage paid for destinations within Canada.
36. The designated election official shall make the following entries on the voter's registration form upon providing a ballot packet to a person:
 - (a) those required pursuant to Section 107 of the Act; and,
 - (b) the date on which the ballot packet was provided to the person.
37. Where the returning officer or designated election official provides a mail-in ballot to a person, the person is deemed to have voted and is not entitled to vote at any other poll.

Voting and Return of Mail-in Ballots

38. A person who receives a mail-in ballot:
 - (a) shall vote in accordance with the instructions enclosed with the ballot; and,
 - (b) may vote for any number of candidates up to the number to be elected in the ward in which the person is entitled to vote.

39. A person who has voted by mail-in ballot shall:
- (a) place the marked ballot into the ballot security envelope and seal the envelope;
 - (b) place the sealed ballot security envelope in the voter confirmation envelope and seal the envelope;
 - (c) date and sign the voter confirmation envelope;
 - (d) seal the voter confirmation envelope;
 - (e) place the signed voter confirmation envelope in the mailing envelope and seal the envelope; and,
 - (f) return the mailing envelope by mail, courier, in person, or by any other means to the returning officer.

Receipt of Mail-in Ballots

40. Upon receipt of the mail-in ballot, the returning officer or designated election official shall:
- (a) determine and record on the voter's registration form the date and time the ballot is received;
 - (b) open the mailing envelope;
 - (c) remove the sealed voter confirmation envelope from the mailing envelope and:
 - (i) determine if the voter confirmation envelope has been properly completed; and,
 - (ii) ensure the signature on the voter confirmation envelope matches the signature on the applicant's voter's registration form and a declaration of person requesting a mail-in ballot; and,
 - (d) if the voter confirmation envelope has not been properly completed or the signatures do not match, place the unopened voter confirmation envelope in a separate envelope for ballots that are not accepted; or,
 - (e) if the voter confirmation envelope has been properly completed and the signatures match, remove the sealed ballot security envelope from the voter confirmation envelope and place the envelope in a portable ballot box designated for mail-in ballots.

41. The returning officer may designate at least one (1) deputy returning officer who will receive mail-in ballots prior to the close of polls on election day.

Counting of Mail-in Ballots

42. In order to be counted, a mail-in ballot must be received by the returning officer or designated election official by the close of polls on election day.
43. Mail-in ballots received after the close of polls on election day:
 - (a) are deemed to be spoiled;
 - (b) will remain unopened in the ballot security envelope; and,
 - (c) shall be dealt with by the deputy returning officer in accordance with subsection 118(2) of the Act.
44. Subject to Section 45, after the close of the polls on election day, the returning officer or designated election official shall:
 - (a) remove the sealed voter confirmation envelopes from the portable ballot box designated for mail-in ballots;
 - (b) remove the mail-in ballot from the ballot security envelope;
 - (c) insert the mail-in ballot into the vote tabulating machine designated for mail-in ballots;
 - (d) complete the vote counting procedures outlined in section 17 of this Bylaw; and,
 - (f) record on the voter's registration form whether the mail-in ballot was accepted, not accepted or spoiled.
45. If one hundred (100) or more mail-in ballots are received on or before the final day of advance voting, subsections 44(a) through (c) may be performed by the returning officer or designated election official on the business day immediately following the final day of advance voting.
46. Where the returning officer is of the opinion that the number of voters who voted by mail-in ballot is small, the returning officer may include the mail-in ballots in another ballot box that is utilized for special, mobile or election day polls.
47. The mail-in ballots, forms and other election materials shall be retained and destroyed in accordance with section 142 of the Act.

Examination by Candidate or Agent

- 48. Candidates or a candidate’s agent shall be notified by the returning officer or designated election official prior to the processing of mail-in ballots as provided for in Section 45.
- 49. The voter’s registration form, declaration of person requesting a mail-in ballot, and voter confirmation envelopes may be inspected by candidates or candidate’s agents at the election office during normal business hours commencing on the day following nomination day and ending at the close of polls on election day.
- 50. A candidate or a candidate’s agent retains the right to object to a person’s entitlement to vote if that person votes by mail, facsimile or other electronic means.
- 51. On the objection of a candidate or a candidate’s agent, the returning officer or designated election official shall make the necessary entries in the voter’s registration form consistent with sub-clause 112(1)(b)(c) and (d) of the Act.
