

TRAVELLING BY AIR IN CANADA? TRAVEL RESTRICTIONS IN EFFECT

The Government of Canada has restrictions in place for travellers travelling by air within Canada.

No traveller who is symptomatic of COVID-19 will be allowed to fly.

Requirements for Air Travel

The Government of Canada has introduced a number of measures to limit the spread of COVID-19 and ensure the safety of air travel:

- Requiring travellers to wear a non-medical mask at all times throughout their entire travel journey. **Travellers who provide false or misleading information or refuse to wear a non-medical mask when directed could face fines.**
- Conducting health checks of all travellers before boarding.
- Conducting temperature screening of all travellers before boarding at 15 Canadian airports: St. John's, Halifax, Montréal, Québec City, Ottawa, Toronto – Pearson, Toronto – Billy Bishop, Winnipeg, Calgary, Regina, Saskatoon, Edmonton, Kelowna, Vancouver and Victoria.
- Implementing additional federal, provincial or territorial measures at travellers' destinations.
- Denial of boarding for symptomatic travellers or those who have been refused boarding in the past 14 days due to a medical reason related to COVID-19, or is the subject of a provincial, territorial or local public health order.
- Denial of boarding for travellers who refuse to answer questions related to the health check, refuse to have their temperature taken, or refuse to comply with an instruction given by a gate agent, airport security screening personnel, or a crew member with respect to wearing a non-medical mask or face covering.

Pre-boarding identification requirements for domestic air travel

As of February 1, 2021, the Government of Canada is no longer accepting expired government-issued identification. Valid identification must be presented.

Denied boarding due to COVID-19 symptoms?

- Leave the airport and go immediately to a place where you can self-isolate for 14-days, and use private transportation such as a personal vehicle to get there
- Contact your air carrier for more information about re-booking
- Practice physical distancing at all times
- Practice frequent hygiene, including proper hand washing and coughing and sneezing into your elbow or a tissue
- Wear a non-medical mask over your mouth, nose and chin at all times in order to protect others
- Obtain further information about Canadian provincial and territorial services at: www.canada.ca/coronavirus
