

PROOF OF NEGATIVE COVID-19 TEST OR VACCINATION STATUS

Introduction

The health and safety of the public is important. As the number of COVID cases and hospitalizations increase in the Province, measures are being put in place to help reduce the risk of the spread of the COVID-19 virus.

Given this, in accordance with the current Government of Saskatchewan Public Health Order for Mandatory Isolation and Face Covering that was effective September 17, 2021, the City of Prince Albert is following the Mandatory Masking for Indoor Public Spaces.

In addition, in accordance with the resolution of City Council, Proof of Vaccination or Negative Covid-19 Test is in **effect at all City facilities starting October 13, 2021.**

To whom the regulations apply:

- Members of the Public 13 years and older
- Children that are 12 years of age before October 13, 2021 have until January 11, 2022 (90 days) to be fully vaccinated against Covid-19. Children that turn 12 after October 13, 2021 will have 90 days after their birthday to be fully vaccinated against Covid-19.

Requirements:

- Members of the Public 13 years and older are required to provide **evidence of being fully vaccinated or proof of a negative COVID-19 test** before being allowed in the facility.
- Children that are 12 years old must present ID that shows their birthday.
- 12 year olds with birthdays before October 13, 2021 have 90 days from October 13 before they need to show proof of vaccination or negative test result.
- Children that turn 12 after October 13, 2021, have 90 days from their birthday to present proof of vaccination or negative Covid-19 test results.
- Youth aged 12-17 also need to show ID unless accompanied by an adult with proof of vaccination and ID. Youth aged 12 to 17, visiting without an adult, who do not have photo identification are allowed to present other forms of government issued identification such as birth certificate or health services card.
- Adults 18 and older must also show photo ID

PROOF OF NEGATIVE COVID-19 TEST OR VACCINATION STATUS

- Evidence of being fully vaccinated or proof of a negative COVID-19 test must be produced each time a person attends the facility for this purpose. Evidence and proof are only being visually verified and are not being saved for any future use.

Vaccination and COVID-19 testing:

- Fully vaccinated individuals are those who have received 2 doses of the COVID-19 vaccine and 14 days have passed since the individual received the last does.

Options for Evidence of being fully vaccinated include:

- Wallet cards received at time of immunization;
- A printed copy of your MySaskHealthRecord (MSHR) vaccine certificate (with or without a QR code);
- A screenshot of your MSHR vaccine certificate (with or without a QR code) saved to your device;
- A screenshot of your MSHR vaccine certificate (with or without a QR code) saved to your device;
- An earlier version of your MSHR COVID-19 vaccine certificate;
- A COVID-19 vaccine printout from Saskatchewan Health Authority Public Health; or,
- To come - A QR code/MySaskHealthRecord vaccine certificate uploaded to SK Vax Wallet.

PROOF OF NEGATIVE COVID-19 TEST OR VACCINATION STATUS

- Access for COVID-19 Vaccination records - <https://www.ehealthsask.ca/MySaskHealthRecord/MySaskHealthRecord>
- The following individuals are required to provide proof of a negative COVID-19 test from within the previous 72 hours of entry:
 - Individuals who do not have proof of vaccination, which includes partially vaccinated individuals; and,
 - Individuals who have medical or religious exemptions that prohibit them from receiving a COVID-19 vaccine.
- Only COVID-19 PCR or rapid antigen test results provided by certified healthcare providers, including private providers will be accepted.
- A self-administered take-home rapid antigen test will not be accepted as valid proof of negative COVID-19 test results.
- The cost for all proof of negative test results will be the responsibility of the individual.

Privacy Information Statement

Any individual receiving evidence of vaccination or proof of a negative COVID-19 test is only authorized to view the documentation provided for verification purposes. The information provided for verification purposes is not to be reproduced for any reason in any form. All information viewed or verbally discussed with the individual for the purpose of evidence/proof is to be kept strictly confidential and shall not be disclosed to anyone.

Enforcement

The City of Prince Albert is committed to the health and well-being of our community. Following these orders and policies initiated by the Government of Saskatchewan and the Saskatchewan Health Authority, The City hopes to contribute to the recovery in our community from the effects of COVID-19.

Please be patient as we navigate these changes and requirements. We want to continue in-person meetings, events and activities at our facilities and trust that these new measures will help us move forward in the long term.

In the case that an individual wishes to ignore or refuses to follow the restrictions that have been put in place by Saskatchewan Health Order, Public Health/Security and/or City Police will be contacted to ensure that order is maintained.

PROOF OF NEGATIVE COVID-19 TEST OR VACCINATION STATUS

Public Health Inspectors and Covid-19 Enforcement Team: 1-855-559-5502

Public Health can issue tickets for those in violation of the Public Health Order

Roaming security: 306-961-1442

Where Public Health cannot attend or where it is after-hours, roaming security can be contacted to assist with enforcement

Police Assistance: 306-953-4222

Where a situation is escalating and becoming confrontational, Police can be contacted.

The City will update this document as Health Measure and Public Health Orders change.
