October 3, 2025

### **RE: Road Rehabilitation – 28 Street East (2-3 Avenue)**

---

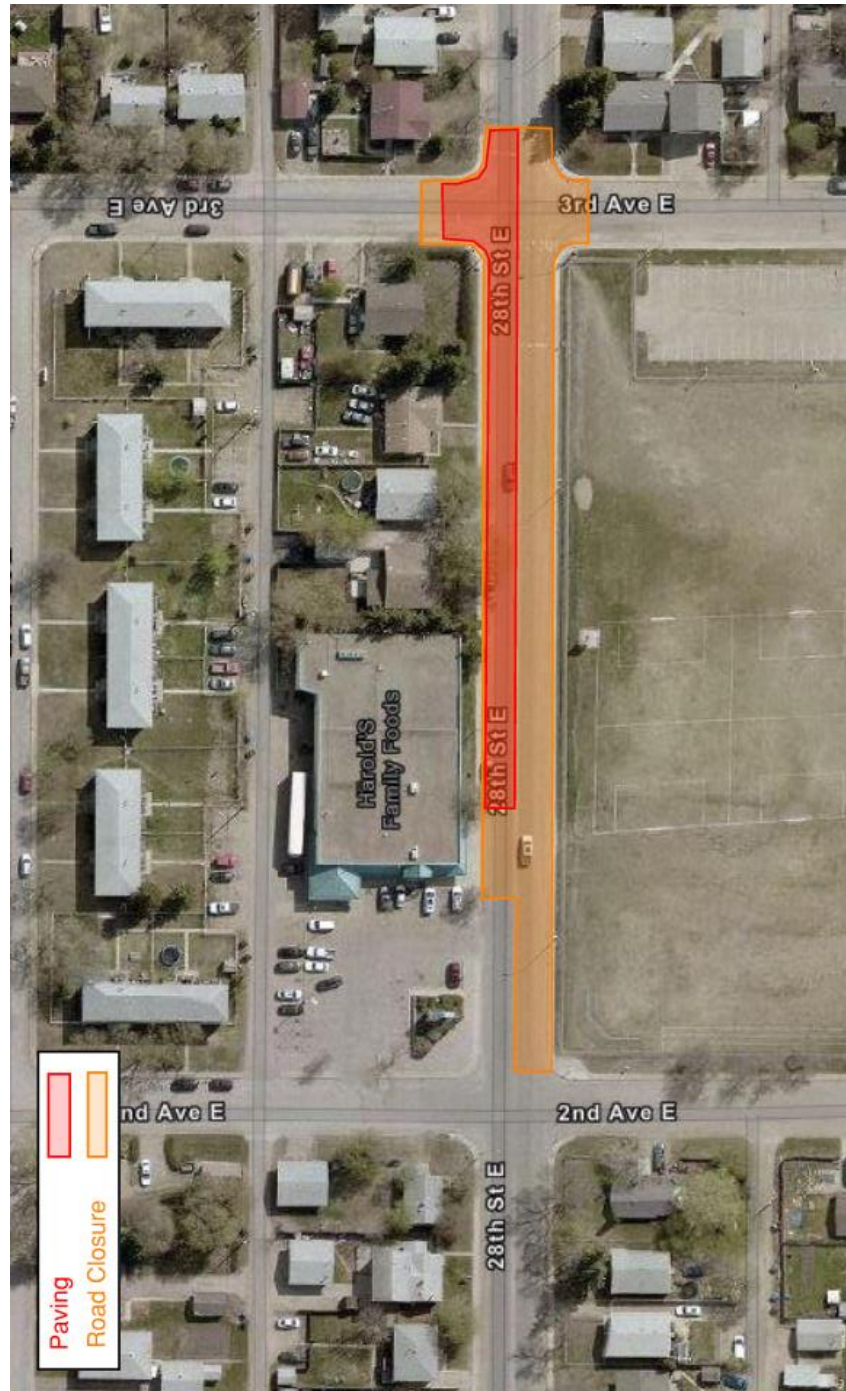

The City of Prince Albert Public Works Department would like to advise residents of upcoming repaving of 28<sup>th</sup> Street East (2-3 Avenue). The project includes asphalt milling and street paving on the North side of the road. See the attached map.

1. **Project Timeline:** October 4, 2025 – October 6, 2025, weather permitting.
2. **Impacted Areas:** The work will occur in the **orange** zone attached.
3. **Traffic:** Traffic will be detoured on 2<sup>nd</sup> and 4<sup>th</sup> Avenue East for the duration of this project.
4. **Limited Driveway and on-street parking access:**
  - a. Driveway parking is permitted for local traffic during milling operations but should be avoided when possible.
  - b. There is no street parking in the **orange** zone or 30 meters from the zone on all neighboring streets and avenues during milling or paving operations.
  - c. During the paving days, there will be no driveway access. Plan accordingly.
4. **Freshly Oiled Asphalt and Tack Oil** can pick up on your vehicle and diminish the quality of the paved surface. It is very important that you **do not** drive on a freshly paved or oiled surfaces. Allow 3 hours of the asphalt being placed before driving on it. Do not drive on Tack Oil at anytime.
5. **What can I do to prepare?** Arrange for an alternate parking spot for vehicles for the duration of the project if needed. It will not be possible to advise exactly when your driveway will be closed.
6. **Waste Collection:** will continue as scheduled.
7. **Landscaping:** If your landscaping is impacted during construction, your property will be added to the boulevard list to be scheduled for repair.

If you require further information with respect to this matter, please do not hesitate to contact Evan Hastings, Capital Projects Manager at Public Works at (306) 953-4900.

Yours truly,

Evan Hastings, B.Sc., C.E., EIT
